

Amity Regional High School

Clubs & Activities Booklet

2017-2018

Amity Academic Decathlon

Purpose of Club: The United States Academic Decathlon is a 10-event scholastic competition for teams of high school students. It is the premiere scholastic competition for high school students! The team promotes learning and academic excellence through teamwork among students of all achievement levels. With topics ranging from music to math and everything in between, Academic Decathlon has something for everyone to try! The competition also allows you to practice important life skills like public speaking, essay writing, and interviewing. Academic Decathlon gives students the opportunity to widen their horizons and delve deeper into their own interests. With such a diverse set of topics to explore, it's no surprise that the Academic Decathlon experience also builds lifelong friendships among teammates, and we can't wait for you to join us!

Advisor(s): Mr. Ranani

Meeting time: Rm. 283, Wed., 2:18

Amity Art Through Fashion

Purpose of Club: Students & Teachers can express their fashionable style or personalized items through an online blog. All submissions are anonymous and would be approved by a leader or an Administrator. Students can customize personal items and have a sense of acceptance. Computer Science Club

Purpose of Club: The Computer Science Club is made up of students (beginners to advanced) that have a passion for learning various computer languages and creating exciting new programs. The interaction between students provides each club member with an opportunity to foster new friendships, develop creativity through innovative programming and provide opportunities for career exploration. Besides peer instructions from specific language proficient students, all members will hone their skills using online tutorial programs such as Eclipse. Club members will also prepare and study for the programming and computer science skills required to compete in the annual FBLA Program, Quinnipiac University High School Computer Programming Competition and the National Lockheed Martin Code Quest Competition.

Advisor(s): Mr. Fuller

Meeting Time: Wed., 2:30 p.m., Rm. 157

Creative Writing Club

Purpose of Club: Have you ever wanted your words to move mountains, divert rivers, or disrupt the very laws of reality itself? Here at the Creative Writing Club, you may not be able to do the above.....but ...you can make your voice heard. Let this school know about your creativity, your innovation, and your strength in writing. Now join us, fellow harbinger of the lost words of a post-modern civilization. Pick up your pen and let your emotions and your legacy be recorded in the pages of history. The stars will align to illuminate the dawn of a new age-your age. Welcome, to the Creative Writing Society.

Advisor(s): Mr. Gaipa

Meeting Time: Wed., 2:30-3:30, Rm.150

Cultivating Consciousness

Purpose of Club: Our mission is to create a group where those of every race, religion, sexual orientation and background can come together to explore the practice of spirituality in all it's forms, meditation, healthy living, methods of personal healing and growth, etc. Our meeting will consist of things like group discussions on spiritual topics, group meditation, teaching of methods of personal growth and development, short workshops, etc.

Advisor(s): Ms. Hull, Ms. Clark
