**RECOGNITION AND CHECKOFF**

**Section 1.1**

The Amity Regional School District No. 5 Board of Education (hereinafter referred to as the "Board") Recognizes Local 1303-221 of Connecticut Council 4, AFSCME, American Federation of State, County and Municipal Employees, AFL-CIO (hereinafter referred to as the "Union") as the exclusive bargaining representative for employees who work twenty (20) hours or more per week as paraeducators in the Amity Regional Schools.

**Section 1.2**

Employees shall be free to join or not join the Union, or to withdraw from membership, subject to the provisions of this Article. Employees who elect to join the Union shall provide the Union with a fully executed payroll deduction form. The payroll deduction form shall be delivered to the Board by the Union and shall continue in effect until revoked by the employee by written notice to the Union and the Union has notified the Board by written notice that the employee no longer desires to be a member of the Union.

**Section 1.3**

Upon receipt of a payroll deduction form, the Board agrees to deduct from the wages of the employee such Union dues and/or initiation fees as may be fixed by the Union in accordance with applicable state and federal laws. The Board shall transmit these monies to the Council 4 office of the Union no later than the fifteenth (15<sup>th</sup>) day of the month following the month in which the dues and/or fees have been deducted, together with a list of employees from whose wages the deductions have been made. The Union agrees to indemnify and to hold the Board harmless against any and all claims, demands, suits or other forms of liability that shall, or may arise out of, or by reason of, action taken by the Board for the purpose of complying with the provisions of this Article.

**ARTICLE II**  
**RIGHTS OF THE BOARD OF EDUCATION**

**Section 2.1**

Unless expressly limited by a specific section of this Agreement, the rights, powers and authority held by the Board under any agreements regarding regionalization, general or special act of the legislature, or other type of lawful provision, over matters involving the Amity Regional School District, including but not limited to full control over the policies, practices, procedures and regulations with respect to employees of the Board covered by this Agreement at all its schools, shall remain vested solely and exclusively in the Board.

## **ARTICLE III** **APPOINTMENT**

### **Section 3.1**

The Board of Education shall employ all employees for the schools and offices. The Union President shall be notified of all new hires.

### **Section 3.2**

Each new hire shall serve a ninety (90) working day probationary period. "Working day" shall be defined as days that the employee actually attends work. Prior to or at the end of the probationary period, the Director of Pupil Services or his/her designee will make a recommendation to the Superintendent of Schools or his/her designee to either retain or terminate the employee. Employees subject to a recommendation to terminate shall be informed, with rationale, of the decision by the Superintendent of Schools or his/her designee and copied to the Union President. During the probationary period, employees are at-will employees and are not entitled to access Article XII of this Agreement in cases of discipline, including suspension and termination. The probationary period may be extended upon mutual written agreement between the Union and the Superintendent of Schools or his/her designee.

### **Section 3.3**

Except in cases of emergency as determined by the Superintendent of Schools or his/her designee, all openings that the Board intends to fill shall be publicized in each school at least ten (10) calendar days in advance of the intended date of filling the vacancy.

Notwithstanding the foregoing, the posting period may be reduced to five (5) calendar days by mutual agreement between the Union and the Superintendent of Schools or his/her designee.

Employees shall be notified by email of any opening that occur during the summer vacation.

### **Section 3.4**

If, in the determination of the Superintendent of Schools or his/her designee, applicants for a posted vacant position have substantially equal qualifications, skills, knowledge and ability, preference shall be given to the most senior qualified bargaining unit personnel employed by the Board, provided such employee has at least one (1) year employment with the Board.

### **Section 3.5**

Notwithstanding the foregoing, positions may be filled on a temporary basis without following the foregoing procedure whenever the timing or the urgency of the situation makes the above procedure impractical. Said temporary basis shall be for no longer than forty-five (45) workdays, except for situations requiring a temporary employee of a longer duration due to circumstances such as FMLA, Maternity Leave and Workers' Compensation. The Board or their designee will first ask for volunteers to fill all temporary positions. In such cases, the Board may employ a temporary employee for more than forty-five (45) workdays. The Union President

shall be notified in writing of any such filling of jobs by the District prior to the event taking place.

## **ARTICLE IV** **ATTENDANCE**

### **Section 4.1**

Work schedules shall be determined by the Superintendent of Schools or his/her designee. An employee shall not leave the school to which assigned, during working hours, without the knowledge and approval of the building principal.

### **Section 4.2**

If school is cancelled and classes are not being conducted remotely, employees are not expected to report to work on that day. No employee shall, however, receive pay for said cancelled days.

If school is cancelled and classes are being conducted remotely, employees are expected to be available to work remotely or report to work, as determined by the Superintendent or his/her designee. If an employee is not available to work remotely (if offered remote work by the Superintendent or his/her designee) or does not report to work on a remote day, the employee must designate the day(s) as personal leave in order to receive pay for the day(s).

### **Section 4.3**

When school is dismissed early, paraeducators may be allowed, at the discretion of the Superintendent of Schools or his/her designee, to leave once students are dismissed, with no loss of pay. When school is delayed in opening, paraeducators may report for work at the delayed opening time with no loss of pay.

### **Section 4.4**

All employees are required to attend professional development days.

An employee will be paid his/her hourly rate for the time he/she attends professional development days.

Employees may be excused, in writing, from attendance at the discretion of the Superintendent or his/her designee.

### **Section 4.5**

An employee unable to report to work (including on remote days) shall notify a person designated by the District no later than 6:30 a.m. on the morning of such absence (if the employee performs bus duties, the employee must notify the designated person by 5:45 a.m.). Additionally, the employee shall record such absence on the employee attendance system within twenty-six (26) hours of his/her scheduled start time on the day that she is absent.

## **ARTICLE V**

### **LEAVE PROVISIONS**

#### **Section 5.1**

Part-time employees regularly scheduled to work between twenty (20) and thirty (30) hours per week shall accrue leave time under Article V on a pro-rated basis. In addition, all leave accruals for employees who begin employment after the start of the school year shall be pro-rated.

Paid sick leave shall be granted to employees when they are incapacitated from performance of their own duties by illness, injury or quarantine by public health authorities, up to the employee's maximum accumulated total.

New employees shall earn sick leave at the rate of one (1) day for each calendar month worked, not to exceed twelve (12) working days per contract year. After one (1) year of continuous employment, the employee shall be entitled to the annual sick leave benefit of twelve (12) days per contract year. Unused sick leave is cumulative, for full-time employees, to one-hundred (100) days.

#### **Section 5.2**

Sick leave shall commence on the date and at the time of specific notification on the employee attendance system by the employee. Failure of the employee to provide such appropriate notification shall mean the forfeiture of pay for the claimed period.

#### **Section 5.3**

For absences in excess of three (3) working days for which sick leave is claimed, the Superintendent of Schools or his/her designee may require evidence in the form of a note from the physician treating the employee for the illness that caused the sick leave. Such note shall state the nature of the illness or injury and the expected duration.

A note from the physician treating the employee for the illness that caused the absence(s) may be requested if a review of the employee's record demonstrates an excessive use of sick leave, an abuse of sick leave and/or a pattern of absenteeism.

Further, a pattern of absenteeism, an abuse of sick leave or an excessive use of sick leave may be the basis for discipline or other appropriate action.

A pattern of absenteeism shall be defined as repeated:

- (a) absences prior to or after weekends (or prior to or after the employee's regularly scheduled last day of work during a calendar week);
- (b) absences prior to or after scheduled days off;
- (c) absences prior to or after holidays;

- (d) the use of sick time intermittently in conjunction with other forms of paid time off;
- (e) absences on the same day every week or month; and
- (f) consistently taking sick days (full day increments or partial day increments) over a period of time (provided, in the event that an employee provides the Board with a note in advance of anticipated medical or dental treatment, such absence shall not counted).

Additionally, an employee out of work for greater than one (1) month shall be required to submit updated status reports from the physician treating the employee for the illness that is causing the absence(s) setting forth updates on the employee's condition and an anticipated return to work date. Such status reports shall be submitted on a monthly basis commencing thirty (30) days after the employee's first day of absence.

#### **Section 5.4**

After one (1) full calendar year of employment with the Board in a position covered by this Agreement, a full-time employee shall be accorded three (3) personal or business leave days per contract year for personal or business requirements that cannot be transacted outside the regular workday. Such days shall be credited to the employee on or about the first day of the school year annually. In an employee's first year of employment in a bargaining unit position covered by this Agreement through June 30<sup>th</sup>, said days shall be prorated from the date of hire. Personal leave may not be used on consecutive work days unless approved, in advance, by the Superintendent or his designee.

Application for such leave must be made through the employee electronic time keeping attendance system. Personal leave must be approved in advance by the Superintendent of Schools or his/her designee. Personal leave may not, however, be used the last workday before or the first workday after a vacation or holiday period without the written approval, at the sole discretion, of the Superintendent of Schools or his/her designee.

Personal days shall not accumulate from year to year.

#### **Section 5.5**

Employees will be accorded a maximum leave of five (5) days with pay during a fiscal year for the death of each immediate family member; immediate family member is defined as including a parent, spouse, sibling, child or grandchild.

A maximum leave of three (3) days per fiscal year with pay shall be accorded for each death of a grandparent, father-in-law, mother-in-law, brother-in-law and sister-in-law.

One (1) day per fiscal year with pay shall be accorded for each death of an aunt or uncle.

Said leave shall not be deducted from sick leave.

## **Section 5.6**

An employee who is officially summoned for jury duty shall be paid the difference between the per diem salary that he/she currently receives and the compensation received for jury duty. This principle shall apply only for those days when the employee is actually serving as a juror. Whenever the employee is on leave from jury duty, he/she is expected to report to his/her regular work assignment. Upon receipt of a juror questionnaire, its receipt is to be reported by the employee by use of the electronic time keeping attendance system within one workday of receipt of the questionnaire. Confirmation of serving jury duty must be submitted to the Payroll Department after receipt of documentation from the judiciary of service of jury duty.

## **Section 5.7**

Upon retirement under the Social Security Act, or death, an employee or his/her estate, shall be paid for one-half (½) of all accumulated unused sick days. To be eligible for such payment, the employee must have been in the continuous service of the Board in a bargaining unit position covered by this Agreement for at least ten (10) full school years. Payment for unused sick leave shall be provided at the per diem rate of the employee on August 30, 2011. Employees hired on or after July 1, 2008 shall not be eligible for sick leave payout under the provisions of Section 5.7 of the Agreement.

## **Section 5.8**

If any illness or injury results in a disability that has prevented the employee from performing the essential functions of the position (with or without a reasonable accommodation) for a period of twelve (12) months or longer, the Board shall have the right to discharge the employee.

# **ARTICLE VI UNAUTHORIZED ABSENCE**

## **Section 6.1**

Any unauthorized absence and (regardless of the duration of such time off) may be grounds for discipline, up to and including dismissal.

# **ARTICLE VII WORK HOURS AND SCHOOL OFFICE COVERAGE**

## **Section 7.1**

The work year shall normally be a minimum of one-hundred eighty-three (183) days, which shall include the student school year, designated professional development days, and any additional days assigned by the Superintendent of Schools. Notice of the length of the work year will be provided to paraeducators by the end of the prior school year in June.

## **Section 7.2**

Full-time employees shall mean employees who are regularly scheduled at least thirty (30) hours per week. Such hours shall be divided over five (5) days, Monday - Friday, with a duty-free lunch period equal to the student lunch period in the school the paraeducator is assigned to work. Full-time employees shall not be required to have any other unpaid periods of time from the start of the workday to the end of the workday.

The Board shall retain the right to set starting and ending hours based on its analysis of the needs of the school district.

The number of work hours during a normal school day shall be as follows:

6 hours and 30 minutes of paid time with an unpaid lunch break equal to the student lunch period.

In the event that the schedule changes in any contract year, the Union will be notified in advance of the change and the impact, if any, on the employees work day.

## **Section 7.3**

Employee work schedules shall be set by the Superintendent of Schools or his/her designee. Notice will be provided by August 1<sup>st</sup>, where possible.

## **Section 7.4**

If, during the life of this Agreement, the Board seeks an alternative work schedule that would include Saturdays as a normal scheduled day, the Board shall first seek volunteers for the new schedule. If there are no volunteers, then the Board may assign bargaining unit members in inverse order of seniority for said schedule.

## **Section 7.5**

Summer school paraeducator positions shall be posted and assigned among bargaining unit members that apply for such positions. The assignment of summer school paraeducator positions shall be determined by the Administration.

Effective July 1, 2023 the salary schedule set forth in Appendix A shall apply to bargaining unit employees.

## **Section 8.3**

Paraeducators who are directed to either cover a class temporarily with no teacher present or a period(s) during a workday shall be paid sixteen dollars (\$16.00) if the coverage is for an entire class period (and an additional sixteen dollars (\$16.00) for each additional entire class period).

Effective July 1, 2022, the rate will be increased to seventeen dollars (\$17.00) for each entire class period.

Effective July 1, 2023, the rate will be increased to eighteen dollars (\$18.00) for each entire class period.

## **Section 8.4**

In order to address remuneration for a para educator either assigned to an overnight field trip or who volunteers (at the request of the Board) to attend an overnight field trip, the following shall be used:

- The para educator shall receive his/her regular hourly wage rate for the day the field trip leaves Amity through the end of his/her regular work day;
- For the overnight of the field trip, the para educator shall receive a stipend of ninety dollars (\$90.00);

If any section, sentence, clause or phrase of this Agreement shall be held for any reason to be inoperative, void or invalid, the validity of the remaining portions of this Agreement shall not be affected thereby, it being the intention of the parties in adopting this Agreement that no portion thereof or provision therein, shall become inoperative or fail, by reason of the invalidity of any other portion or provision, and the parties do hereby declare that they would have severally approved of the adopted provisions contained therein and apart from the other. If any portion of this Agreement is ruled invalid for any reason, the remainder of the Agreement shall remain in full force and effect.

#### **Section 9.2**

An alleged violation of this provision shall not be subject to the grievance and arbitration process.

### **ARTICLE XI** **STAFF REDUCTIONS**

#### **Section 11.1**

When a reduction in personnel occurs, the least senior employee shall be laid off first, provided the remaining employees are, in the opinion of the Superintendent of Schools or his/her designee, qualified and able to perform the work.

#### **Section 11.2**

Seniority for the purpose of vying for positions for reasons of layoff, reduction and/or abolishment of position(s), is defined as the total number of years of continuous full-time service in the employ of the Board in a bargaining unit position covered by this Agreement. Seniority for continuous part-time service shall be granted on a pro rata basis.

### **Section 11.3**

An employee who has been laid off shall have recall rights, in order of seniority, to vacancies in the job classification from which the employee was laid off for a period of twelve (12) months from the date of layoff. Months shall be defined as months when school is in session. An employee shall forfeit any recall rights if he/she has refused an offer of re-employment by the Board within such layoff period, or has failed to respond within seven (7) workdays of the mailing (by certified mail, at the employee's last known address) of an offer of re-employment.

## **ARTICLE XII** **GRIEVANCE AND ARBITRATION PROCEDURE**

### **Section 12.1**

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems that may arise with respect to wages and other conditions of employment expressly provided for in this Agreement. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure, subject to the provisions of applicable law.

Nothing contained herein shall be construed to prevent discussion by any bargaining unit member with his/her immediate supervisor, building principal, the Director of Pupil Services, and/or the Superintendent of Schools of a complaint, problem or issue.

### **Section 12.2**

A "grievance" shall be defined as a misapplication or misinterpretation of a specific term of this Agreement. All grievances shall be in writing and must be filed at Level One, with a copy to the Superintendent of Schools or his/her designee, within ten (10) days of the act or omission, which is the basis of the complaint. The written grievance shall specifically state the facts of the complaint, the specific term of the Agreement alleged to have been misapplied or misinterpreted and the relief requested.

### **Section 12.3**

#### **Level One**

The written grievance shall be taken up by the employee and/or his/her representative and the Director of Pupil Services at a meeting within five (5) workdays of the submission of the grievance to the Director of Pupil Services. The Director of Pupil Services shall answer the grievance within five (5) workdays of that meeting.

#### **Level Two**

If the grievance is not resolved, the Union, within five (5) workdays of the receipt of the Director of Pupil Services answer, or within five (5) workdays of the deadline for such answer if no such answer is received, may file a written appeal with the Superintendent of Schools or his/her designee. The Superintendent of Schools or his/her designee shall hold a meeting within ten (10)

workdays of the receipt of the written appeal and shall issue an answer in writing within ten (10) workdays of the meeting.

### **Level Three**

If the grievance remains unresolved, the Union may, within five (5) workdays of receipt of the Superintendent of School's answer, or within five (5) workdays of the deadline for such answer if no such answer is received, file a written appeal with the Board. The Board (or a committee designated by the Board) shall, at the next regularly scheduled Board meeting subsequent to the filing of the grievance, meet to review the written appeal and shall answer it in writing within fifteen (15) workdays of the meeting.

### **Section 12.4**

It is agreed that time is of the essence in the grievance procedure. All time limits, however, may be extended by written agreement between the parties on a case by case basis, except for the original filing of the grievance.

### **Section 12.5**

Failure by the grievant or Union to appeal the grievance to the next level within the specified time period shall be deemed an acceptance of the answer at that level. Failure of the Board or administration to answer within the time limits specified above shall allow the grievant or the Union to proceed to the next level.

### **Section 12.6**

Any unresolved grievance may be submitted to arbitration if requested by the Union within ten (10) calendar days of receipt of the decision of the Board.

### **Section 12.7**

The request for arbitration shall be in writing and shall be submitted to the Superintendent of Schools or his/her designee within the required time period.

### **Section 12.8**

Arbitration shall be conducted by a mutually agreed upon arbitrator or arbitration panel. If the parties cannot reach agreement on the forum for the arbitration hearing, the Union shall file the grievance with the State Board of Mediation and Arbitration. The hearing shall be conducted under the rules and regulations in effect at the time of said filing.

The arbitrator shall be bound by and must comply with all of the terms of this agreement. The arbitrator shall not have the power to add to, delete from, or modify in any way any of the provisions of this Agreement.

### **Section 12.9**

The cost of arbitration shall be shared equally by the Board and the Union.

## **ARTICLE XIII** **DISCIPLINE**

### **Section 13.1**

Any disciplinary action that results in a loss of pay for the employee being disciplined (e.g., suspension, demotion or dismissal) shall be for just cause.

### **Section 13.2**

Should any employee need to be questioned about matters that may result in disciplinary action being taken, he/she shall have the right, upon request, to Union representation before questioning begins.

### **Section 13.3**

Written notice of disciplinary action shall be sent to the employee electronically or provided in person. A copy of the notice shall be provided to the Union President within twenty-four (24) hours of the notice to the employee.

## **ARTICLE XIV** **INSURANCE**

### **Section 14.1**

A. The Board agrees to pay the amounts set forth in this section for full-time employees for single coverage under the health insurance plan (including vision coverage) set forth below with the employee paying the remaining costs for any additional coverage via a method agreed to between the Board and the employee.

The Board also agrees to pay, for full-time employees, the percentages set forth below for single coverage under the dental plan, with the employee paying the remaining costs for any additional coverage via a method agreed to between the Board and the employee.

Participation in the insurance plans described in this Article shall be subject to any and all eligibility requirements of the carrier and/or plan administrator.

The Board shall have the right to self-insure for any of the insurance benefits described in this Article and/or to change administrators/carriers/plans for any of the insurance benefits, provided that the overall level of benefits remains substantially comparable to the overall level of benefits in effect immediately preceding any such change.

Eligible employees may participate in the following plans:

The High Deductible Health Plan ("HDHP") (that includes vision coverage) described below shall be the insurance plan.

The Board agrees to pay for single coverage with the employee paying the remaining costs for any additional coverage by payroll deduction for an eligible employee in the first year of his/her employment with the Board who is scheduled to commence work at the beginning of the school year.

An eligible employee in his/her first year of employment with the Board who is scheduled to commence work after March 31<sup>st</sup> shall be eligible for the HDHP with a Health Reimbursement Account ("HRA") in lieu of a Health Savings Account ("HSA") through December 31<sup>st</sup> of his/her first year of employment with the Board.

The premium cost and a comparable funding amount to the HSA deposit from the Board for those enrolled in the HRA for the HDHP shall be in accordance with Article XIV, Section 14.1 for the applicable contract year.

Effective January 1<sup>st</sup> of such employee's first year of employment, he/she shall be offered the HDHP.

### **HDHP**

Effective in each contract year, the HDHP shall include the following components:

	<b>In-Network</b>	<b>Out-of-Network</b>
Annual Deductible (individual/aggregate family)	\$2,000/\$4,000	
Co-insurance	90%/10% after deductible up to cost share maximum	70%/30% after deductible up to cost share maximum
Cost Share Maximum (individual/aggregate family)	\$2,750/\$5,500 (in network) \$4,000/\$8,000 (out of network)	
Lifetime Maximum	Unlimited	\$1,000,000
Preventive Care (as defined by the medical plan administrator)	Deductible and co-insurance not applicable	30% co-insurance after deductible, subject to co-insurance limits
Prescription Drug Coverage	Subject to co-insurance of 90%/10%	

In the event that an employee is ineligible for a health savings account, he/she shall be offered a health reimbursement account.

An employee shall receive a prorated contribution toward his/her HSA (single coverage), if the employee: (a) is hired by the Board after the commencement of the applicable plan year; or (b) he/she elects health insurance after the commencement of the plan year due to a change in status. The prorated amount of the contribution shall be based on the first day that the employee is covered under the plan through June 30<sup>th</sup> of the applicable contract year.

The Board will fund the following percentages of the individual HSA deductible amount (on a calendar year basis).

<b>2021</b>	<b>50%</b>
<b>2022</b>	<b>50%</b>
<b>2023</b>	<b>50%</b>

The Board's contribution toward the HSA deductible will be deposited into the HSA accounts on or about January 1<sup>st</sup> (fifty percent (50%) of the Board's contribution) and on or about July 1<sup>st</sup> (fifty percent (50%) of the Board's contribution) on an annual basis. The parties acknowledge that the Board's contribution toward the funding of the HSA plan is not an element of the underlying insurance plan, but rather relates to the manner in which the deductible shall be funded for actively employed paraeducators. The Board shall have no obligation to fund any portion of the HSA deductible for retirees or other individuals upon their separation from employment.

The following premium cost sharing provisions shall apply to employees electing the HDHP plan (single coverage) during the term of this Agreement (on a contract year basis):

	<b><u>Board</u></b>	<b><u>Employee</u></b>
<b>July 1, 2021 - June 30, 2022</b>	<b>93%</b>	<b>7%</b>

<b>July 1, 2023 - June 30, 2024</b>	<b>91%</b>	<b>9%</b>

The premium share contribution for individual coverage for dental benefits shall be:

	<b><u>Board</u></b>	<b><u>Employee</u></b>
<b>July 1, 2021 - June 30, 2022</b>	<b>86%</b>	<b>14%</b>
