ARHS COMMUNITY HAPPENINGS NEWSLETTER

We concluded the month of September with our annual Club Day event. Over 50 student-led clubs were presented to our entire student body during an extended lunch period, where students were able to peruse the clubs in a festival-like atmosphere outside. These types of events are what we have been missing over the past 18 months and are an integral part of what the high school community is made of. In addition, the myriad clubs and activities offered at the high school complement the ideas presented in the BOWA Portrait of the Graduate that is designated as the "course of scholastic experiences." Students thrive when they are engaged in a balance of curricular, co-curricular and extracurricular activities. Through positive interactions with the school community, like becoming active members of school clubs, our students will continue to engage in healthy social interactions and the expected behaviors of a learning environment. Have a good weekend.

Sincerely,

Anna N. Mahon

Principal

Important Reminders

New Yearbook Publisher: The yearbook staff is excited to be working with Jostens, its new publisher, this school year. Parents are advised that any e-mail communications they may receive from Jostens are legitimate, not phishing attempts. This change does not impact the yearbook's continuing partnership with Robert Taylor Photography. *Embers* was previously published by Herff Jones.

Order and Prepay for School Pictures: Ahead of next week's underclass picture days on September 28th and 29th, parents can now order and prepay for prints of their children's school pictures online. Instructions are available here. The payment portal will be active until Wednesday, October 6th. After this date, Amity's bulk order will be processed, and digital proof cards will be e-mailed to parents who did not place orders. These proof cards will feature a watermarked proof image along with the codes to order prints online. At that point, prices will be slightly higher, and orders will be shipped directly to families' homes rather than to the school.

Buy Your Yearbook: The 2022 edition of *Embers* is now officially on sale! The current, special Back-to-School price is \$75, but hurry—this is a limited time offer! The cost will increase to \$85 on October 1st! Visit <u>amityembers.com</u> to reserve your copy today! <u>Please be advised that due to the need to train a brand new student staff, the transition to a new publisher, and several other factors, the yearbooks will not arrive until summer 2022.</u>

Share Your Photos with the Yearbook: Parents, history is made at your hands! You've watched as your children have grown, developed, learned, and achieved. Don't miss the opportunity to help document that journey! *Embers* strives to tell the whole story. To do so, we need your help! We're looking for photos of everyday school life, activities, and events, and we're hoping that you'll share them with us throughout the school year! While we can't guarantee that all shared photos will be published, we can say for certain that we can't even consider your pictures unless you share them with us! Visit amityembers.com to upload your photos today!

2021 Yearbook Pickup: Current sophomores, juniors, and seniors who ordered a 2021 yearbook and did not pick it up during last week's distribution window can visit the library during their SSP session on Friday, September 24th, for pickup. Students should arrive prepared to scan their student ID cards.
