ARHS COMMUNITY HAPPENINGS NEWSLETTER

This week we were able to welcome the 11th and 12th grade students back to the school building for the first time as full classes since March. Students in 11th grade took the PSAT and the SAT was administered to 12th grade students. While sitting for a standardized test does not, usually, create a sense of community and camaraderie, it was wonderful to have the opportunity for the entire Class of 2021 and 2022 back in the building together, again. The adjustments we have made to our everyday lives, including simply coming to school, because of the coronavirus pandemic are truly remarkable, especially when reflecting on the changes over the past 7 months. Our teachers continue to work innumerable hours to try to deliver the highest quality experience to our students, not just academically, but also socially and emotionally. They are helping our children prepare for their future and navigate the present not only through their delivery of instruction, but also modeling citizenship, kindness and support. Thank you for your continued support of the faculty and staff of Amity Regional High School as we continue to try new things and work to make this school the best it can be for our students. Have a good weekend.

Sincerely,

Anna N. Mahon

Principal
