

# Community Service Work Hours

## Verification Form

Congratulations! Serving your community through a work project can be a most rewarding way to give back to those who have helped you. Amity High School wishes to recognize those students who participate in a community service program and complete a minimum of 25 service hours per school year.

If you have participated in a service project, please complete the information below and have it signed off on by the person who supervised you. Once it's complete, please submit this form to the Career Center in order for it to be tracked for recognition.

Date of Service	Name of Organization	Type of Work Completed	Hours Worked	Verifying Signature(Print Name & Sign)
