The Most Wonderful Time of t...

The Most Wonderful Time of the Year

Published on Aug 26, 2016 11:56

So much of our culture is focused around lamenting school. Television advertisements celebrate the liberation of parents based on the start of the school year. Children are taught to dread Mondays and love Fridays. This year at ARHS, we are celebrating the beginning of school and gearing up for an amazing school year where we will "make it happen." As you read last week, the first day of school on Monday, August 29<sup>th</sup>, will begin at 7:34 **for all students**. We ask all students to wear Amity gear/clothing (even if it is from middle school), as we will be having our very **first school spirit day this Monday**. Freshmen will arrive and report directly to the

cafeteria and follow the Link Crew Freshman Orientation program. Sophomores, juniors and seniors will report to their homeroom/Spartan Seminar locations for a brief overview of the day's activities and will then move to their designated location to begin the speaker series by 8:00am. More information about the speakers for the "Spartan Stories" speaker program can be found <a href="here">here</a>.

We are so excited to start the school year and can't wait to welcome all of our students to ARHS on Monday. Have a wonderful weekend!

Sincerely,

Anna N. Mahon Principal
