ARHS Happenings Newsletter

Thank you to everyone who **MADE IT HAPPEN** this year. Without the hard work of everyone—PTSO members, teachers, parents, community members who mentor our students and support our projects, and members of the Board of Education and central office administration—we would not be nearly as successful of a school community as we are. Today we celebrate the hard work and success of members of the class of 2017. As a kick-off to the commencement exercises, students were gathered in the Brady Center for one final time to

watch [this slide show](#) of compiled class photos. Enjoy and happy summer!

Sincerely,

Summer Office Hours: Summer office hours for both the main office and the counseling department will begin on July 1st. The hours will be 8:00am-3:00pm. Please feel free to call the main office at 203-397-4830 xt. 5 if you have any questions.

Important Notice - Returning Student Registration: On June 5th all Amity families will receive an email on how to fill out your child's information for PowerSchool. The email will go to all guardians that are listed in PowerSchool, however you only have to fill out a reregistration form once **for each child** that you have in the district. You can make an appointment with the technology department, located in the high school, if you do not have access to a computer. Call (203)397-4830 to make that appointment. When filling out all the information on InfoSnap, please use either Google Chrome or Firefox as your browsers. Internet Explorer and Safari sometimes do not load all the information correctly. It is also better to use a Mac or a PC rather than your phone to fill out this information. All Acceptable Use policies and handbooks will be accepted online through this process. Please have all the information filled out as soon as possible, so your child will have access to all programs including PowerSchool in the fall. **PowerSchool access to fourth quarter and final grades will not be available to students or parents until this process has been completed.**

Final Grades in PowerSchool: As the end of the school year approaches, it is time for teachers to begin entering final grades and comments in PowerSchool. The PowerSchool Parent/Student Portals will be **unavailable** starting **8:00am, Tuesday, June 6**. Fourth quarter and final grades will be available in PowerSchool by **Friday, June 16 at 8:00am, except for students who have outstanding obligations and for parents who have not completed the returning student registration process as outlined above.**

Summer Work for Students: Summer work for all classes can be found on our website through this [link](#). Please be sure to have your child check his/her course list to see about work.

Awesome Opportunity-Duality School of Music: Next fall, Amity alumni Jeff Gitelman(class of 2000) will be offering a 6-8 week long after-school class for New Haven area students who are interested in learning about the music business.
