AMITY REGIONAL BOARD OF EDUCATION

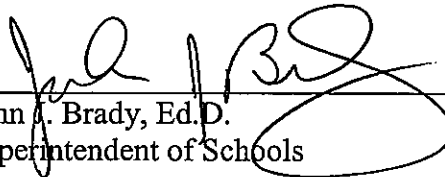

September 10, 2012

A regular meeting of the Amity Regional Board of Education will be held on Monday, September 10, 2012, at 6:30 p.m., in the cafeteria at Amity High School.

Agenda

1. Call to Order
2. Pledge of Allegiance
3. Approval of Minutes
 - a. Special BOE Meeting, August 20, 2012 (Enclosure)
4. Demonstration of Amity's New Web Site
5. Public Comment
6. Second Reading of Revision to Policy 5145.122(a) Use of Dogs to Search School Property (Enclosure)
 - a. Discussion and Possible Action on Policy 5145.122(a)
7. Principals' Reports – Opening of School
8. Student Report
9. Facilities Report of Summer Projects
10. Announcements from the Board and Administration
11. Correspondence
12. Superintendent's Report
 - a. Personnel Report (Enclosure)
 - b. Impact of Sequestration on Amity
 - c. Efforts to Prepare Students for CMT/CAPT
 - d. Information on Long Range Planning Study (Enclosure)

13. Chairman's Report
 - a. Committee Reports
 1. ACES
 2. CAGE
 3. Curriculum
 4. Facilities
 5. Finance
 - a. Discussion of Proposed 2013-2014 Budget Calendar
 - b. Discussion and Possible Action on Proposal to Extend and Blend Electricity Supply Contract
 - c. Discussion of Monthly Financial Statements
 - d. Director of Finance and Administration Approved Transfers Under \$3,000
 - e. Discussion and Possible Action on Budget Transfers
 - f. Discussion and Possible Action on New Funding Requests
 6. Policy
 7. Personnel
 - a. Executive Session - Negotiations
 - b. Discussion and Possible Action to Approve the Contracts with Paraprofessionals, Administrative Assistant Employees and Nurses
 - c. Executive Session – Superintendent's Evaluation
14. Items for the Next Agenda
15. Adjournment

John A. Brady, Ed.D.
Superintendent of Schools

MINUTES

AMITY BOARD MEMBERS PRESENT: William Blake, Patricia Cardozo, Diane Crocco, Steven DeMaio, Rita Gedansky, John A. Grasso, Jr., James Horwitz, Thomas Hurley, James Stirling

AMITY BOARD MEMBER ABSENT: Julie Altman, Christopher Browe, Sue Cohen, Tracey Lane Russo

Staff Members Present: John Brady, Charles Britton, Richard Dellinger, Kathleen Fuller Cutler, Kevin Keller, Jack Levine, Marianne Lippard, Mary Raiola

Also Present: Other members of the Public

A special meeting of the Amity Regional Board of Education was held on Monday, August 20, 2012 at 6:30 p.m. in the Presentation Room at the District Offices.

1. **Call to Order:** William Blake called the meeting to order at 6:34 p.m.
2. **Pledge of Allegiance** was recited by those present.
3. **Approval of Minutes**
 - a. Special BOE Goal Setting Meeting, June 7, 2012
Motion to approve the minutes as presented (Mr. Hurley, 2d Ms. Gedansky).
Discussion: none.
Vote in favor: Diane Crocco, Steven DeMaio, Rita Gedansky, John A. Grasso, Jr., James Horwitz, Thomas Hurley, James Stirling
Vote opposed: none.
Abstain: Patricia Cardozo **Motion passed.**
 - b. Regular BOE Meeting, June 11, 2012
Motion to approve the minutes as presented (Mr. Hurley, 2d Ms. Crocco).
Vote in favor unanimous. **Motion passed.**
 - c. Special BOE Meeting, June 14, 2012
Motion to approve the minutes as presented (Mr. DeMaio, 2d Mr. Hurley).
Vote in favor: Patricia Cardozo, Diane Crocco, Steven DeMaio, Rita Gedansky, James Horwitz, Thomas Hurley, James Stirling
Vote opposed: none.
Abstain: John A. Grasso, Jr. **Motion passed.**

d. Special BOE Meeting, June 18, 2012

Motion to approve the minutes as presented (Mr. DeMaio, 2d Ms. Crocco).

Vote in favor: Patricia Cardozo, Diane Crocco, Steven DeMaio, Rita Gedansky, James Horwitz, Thomas Hurley, James Stirling

Vote opposed: none.

Abstain: John A. Grasso, Jr.

4. Report on CAPT, CMT Scores and New State Measurement System

Dr. Brady said that he received the test results in July and was pleased with the outcome. The analysis will address the new state accountability platform. Dr. Brady will provide information on what the new index is. It is quite different than what the District had been used to.

Marie McPadden, the new director of Curriculum & Staff Development, presented the report on the 2012 CAPT/CMT results. She said that she is very pleased to have come to Amity. The report included a breakdown with CAPT Scores Comparison 2011-2012 by DRG showing the percentage of students at or above goal.

Mr. Hurley noted that this test appears to be harder than it was previously. Ms. McPadden said that it is the same test. She noted that the reading scores were very high. She noted that Amity would like to see more students at the advanced level. Goal is the target, rather than "proficient."

In science, fewer students were at the "advanced" level than the District saw the previous year. Writing remained high, although the number was down slightly. Ms. McPadden noted that good writing is an important skill. The District is doing well with both reading and writing.

Ms. McPadden said that the CMT scores in math were quite high; however, students getting algebra are having problems. Algebra has moved down to grade 8 with the new standards.

Mr. DeMaio questioned whether there are statistics on students who had to retake the same test.

Dr. Brady said that there are no such statistics. Students show proficiency in other ways. Amity's standard has always been "goal."

Ms. McPadden said that No Child Left Behind only required proficiency. For the next two years, the students will be judged on their performance on the CAPT and CMT. Adjustments are being made as the change is made to the Common Core Standards. When looking at the results, trends are examined. In eighth grade, for example, boys performed better in math. In seventh grade, the students are 100 percent proficient. Students at the middle school are performing very well and the students are coming to Amity from different schools.

Mr. Hurley asked whether the work with BOWA is having an impact.

Dr. Brady said that the work is absolutely making a difference.

Ms. McPadden noted that she would like to look at writing in the middle school, as the scoring was a little erratic.

Amity will continue to work to move students from “goal” to the “advanced” level and from “proficient” to “goal.”

Mr. Stirling questioned what a subgroup is. Dr. Brady said that in the DRG, the range is based mostly on socioeconomic factors. He noted that there is some variability. Connecticut has a waiver for No Child Left Behind.

Ms. McPadden said that CMT and CAPT will no longer be used to calculate AYP, but will be used to determine if the District is meeting the new performance targets. The District will be implementing CCSS into the curriculum during 2012-2013. Curriculum revisions will be input into the Atlas program during 2012-2013. She also addressed highlights of the new teacher and administrator education plans. Assessments should address how to measure learning in subjects such as music.

Mr. Hurley questioned how Amity could be successful with the current staffing level.

Ms. McPadden said that the District will continue to move forward. Dr. Brady said that as a District, Amity is doing better than the standard set by the State.

5. Public Comment

None.

6. Announcements from the Board and Administration

a. Administrative Retreat

Dr. Brady said that he will be attending a seminar in September. It is important that he be present at the State retreat.

b. Teacher Only Day

Dr. Brady said that the administration would like to focus on having students develop their creativity. He is concerned that with the move to standardization, students don't lose creativity.

7. Correspondence

a. Letter from State Board of Education Regarding 2010-2011 District Annual Performance Reports and Determination

A letter from the State Board of Education, dated July 11, 2012, shows that the District “meets requirements” in the identified areas used to make the determination for 2010-2011.

8. Superintendent’s Report

a. Personnel Report

Dr. Brady noted several changes to the report contained in the Board of Education packet.

b. Facilities Update

Dr. Brady said that the roofing project is in good shape and moving along. There have been minimal problems and very little noise associated with the work. The mechanisms for the shift to natural gas are in place. The work to lay the gas pipeline went very quickly.

9. Chairman’s Report

a. Committee Reports

1. ACES
2. CABE
3. Curriculum
4. Facilities
5. Finance

a. Discussion and Possible Action to Use Vanguard Index Mutual Funds in Place of iShares for the Pension, Sick & Severance, and OPEB Trust

Dr. Brady noted that the proposed change to Vanguard will save about \$8,000 in fees annually. This change was supported by the Finance Committee.

Move to authorize Fiduciary Investment Advisors to use Vanguard index mutual funds in place of the iShares fund for the Plan (Mr. Stirling, 2d Ms. Cardozo).

Vote in favor: Patricia Cardozo, Diane Crocco, Steven DeMaio, Rita Gedansky, James Horwitz, James Stirling

Vote opposed: none

Abstain: Thomas Hurley

Motion passed.

b. Discussion and Possible Action of Amity Fund Balance Policy

Dr. Brady noted that the major revision concerns money being returned to the towns. This was approved by the Amity Finance Committee.

Move to adopt the proposed Fund Balance Policy, dated May 14, 2012, as presented (Mr. Stirling, 2d Mr. Hurley).

Vote in favor unanimous.

Motion passed.

c. Update on Bond Refinancing and Bond Sale

It was reported that the District did very well and the timing of the refinancing and bond sale was good. The savings offsets the cost of several expensive projects. Amity managed to get a 1.58 percent interest rate. The total interest expense will be \$201,964.17. For refunding bonds, the final net savings (net of all expenses) was \$357,271.67, or 13.2 percent of the prior bonds. The final savings will pay for the interest expense of the new money bonds, along with some principal. Mr. Levine noted that the debt schedule has changed.

d. Discussion of Forecasts

There has been discussion between Dr. Brady, Mr. Levine and members of the Board about the value of long-term forecasts. Changes are planned to make the forecasts more accurate. Items will be examined more carefully.

Dr. Brady said that information from forecasts has been criticized and misused.

e. Presentation of Annual Report on Reserve Fund for Capital and Nonrecurring Expenditures Fund

A memo dated August 7, 2012 addresses this topic. A complete and detailed report on the condition of this fund should be submitted to the member towns annually. The report was contained within the Board of Education packet.

f. Discussion of Monthly Financial Statements

1. Fiscal Year 2011-2012
2. Fiscal Year 2012-2013

Dr. Brady noted that a Summary of Cost Savings and Efficiencies has been added to the Revenues and Expenditures report.

Mr. Hurley questioned what the current surplus is. Dr. Brady said approximately \$53,000.

g. Director of Finance and Administration Approved Transfers Under \$3,000

1. Fiscal Year 2011-2012
2. Fiscal Year 2012-2013

There were no questions.

h. Discussion and Possible Action on Budget Transfers
Transfer Budgets into New Account

The budget for natural gas at the high school is \$132,495 (12,045 MBTU at \$11 each MBTU). The number of MBTU (million British thermal units) is calculated by dividing the estimated heating oil usage of 86,000 gallons by 7.14. This is included in the adopted 2012-2013 budget under 5620-Oil Used for Heating. A budget transfer is requested to move \$132,495 into a new account for natural gas expenditures. Mr. Levine noted that the District is locked into paying oil storage costs. With the new process, Amity will buy what is needed, when it is needed, and pay for it then.

Move to make the following budget transfer of \$132,495 from Oil Used for Heating to the new account for Natural Gas (Mr. Hurley, 2d Ms. Gedansky).

<u>Account Number</u>	<u>Account Name</u>	<u>From</u>	<u>To</u>
03-14-2600-5620	Oil Used for Heating	\$132,495	
03-14-2600-5621	Natural Gas		\$132,495

Vote in favor unanimous.

Motion passed.

The budget for propane to heat the field house and facilities garage and provide gas to the kitchen facilities is \$17,000. This is included in the adopted 2012-2013 budget under 5410-Utilities-Excluding Heat. A budget transfer is requested to move \$17,000 into an account for natural gas expenditures.

Move to make the following budget transfer of \$17,000 from Utilities – Excluding Heat to the new account for Natural Gas (Mr. Hurley, 2d Ms. Gedansky).

<u>Account Number</u>	<u>Account Name</u>	<u>From</u>	<u>To</u>
03-14-2600-5410	Utilities	\$17,000	
03-14-2600-5621	Natural Gas		\$17,000

Vote in favor unanimous.

Motion passed.

Due to higher than expected enrollment, additional Chinese and Spanish textbooks are needed.

Move to make the following budget transfer of \$4,800 to purchase additional Chinese and Spanish textbooks for the High School World Language Department (Mr. Hurley, 2d Mr. Stirling).

<u>Account Number</u>	<u>Account Name</u>	<u>From</u>	<u>To</u>
03-14-2219-5611	Instructional Supplies	\$4,800	
03-11-1006-5641	Textbooks		\$4,800

Vote in favor unanimous.

Motion passed.

i. Update on Financial Operations

1. Superintendent's Quarterly Report in Compliance with Board Policy 3292.1 (b), Deposit Policy for Custodial Credit Risk

Dr. Brady reported that the Accounts Payable, Payroll Accounts, Adult Education, Cafeteria Funds and Grants Fund have been moved to Peoples United from Bank of America. In addition, new accounts were opened at Peoples United for the Self-Insured Reserve Fund and Artificial Turf Special Project Account. The other smaller accounts are with Bank of America.

Mr. Hurley asked about the accounts left with Bank of America.

Mr. Levine said that they are all relatively small accounts.

6. Policy

This topic was addressed under Item 5b.

7. Personnel

a. Executive Session – Negotiations

Move to enter Executive Session at 8:03 p.m. (Ms. Gedansky, 2d Mr. Hurley).

Vote in favor unanimous.

Motion passed.

Executive Session concluded at 8:13 p.m.

b. Discussion and Possible Action to Approve the Contract with the Custodial Bargaining Unit

Motion to approve the custodial contract (Mr. DeMaio, 2d Mr. Hurley).

Vote in favor unanimous.

Motion passed.

10. **Items for the Next Agenda**

No new items were added.

11. **Adjournment**

Motion to adjourn the meeting at 8:14 p.m. (Mr. Hurley, 2d Ms. Crocco).

Motion passed; meeting adjourned.

Respectfully submitted,

Marianne Lippard, recording clerk
Rita Gedansky, secretary

Search and Seizure

Use of Dogs to Search School Property

The Amity Board of Education believes its schools provide a safe and orderly environment in which to learn. The Board is confident that the administration acts diligently to implement Board of Education policies geared to bar illegal substances from school and to respond to situations in which illegal substances are detected. Given the prevalence of illegal substances among the youth population in our society, the Board wants to convey a strong message to the community, faculty, staff, and student body concerning the use or possession of illegal substances within the Amity Regional School District.

When the Superintendent determines that the existence of illegal substances is creating a disruption of the educational environment, the Superintendent may invite the appropriate police authority to search school property with dogs trained for the purpose of detecting the presence of illegal substances. The purpose of such a search shall be to protect the health and safety of students, employees or property and to detect the presence of illegal substances. The use of trained drug sniffing dogs is subject to the following:

1. The Superintendent shall contact the appropriate police authority who will conduct the search using a properly trained drug-sniffing dog (not a general police k-9) handled by a specially trained officer. The Principal or his/her designee shall be present while the search is taking place.
2. Parents and students shall be notified of this policy through its inclusion in the student and/or parent handbook.
3. All school property such as lockers, classrooms, parking areas and storage areas may be searched.
 - a. Dogs shall not be used in rooms occupied by persons except for demonstration purposes with the handler present.
 - b. When used for demonstration purposes, the dog may not sniff the person or any individual.
4. Individual(s) shall not be subject to a search by dogs except as permitted by law.
5. Once notification has been given to parents and students, through the inclusion of the policies in the student and/or parent handbook, the school district will have met its obligation to advertise the searches. Additional notices need not be given and actual times or dates of planned searches need not be released in advance.

Students

Search and Seizure

Use of Dogs to Search School Property (continued)

6. Only the dog's official handler will determine what constitutes an alert by the dog. If the dog alerts on a particular item or place, the student having the use of the item or place or responsibility for it shall be called to witness the search. If a dog alerts on a locked vehicle, the driver shall be asked to unlock it for inspection.
7. Law enforcement agencies will be given full authorization to investigate and prosecute any person(s) found to be responsible for illegal substance(s) on school property.

(cf. – 5145.12 Search and Seizure)

Policy adopted: 5-12-2008

Students

Search and Seizure

Desks and School Lockers

Desks and school lockers are property of the schools for temporary use by students. With reasonable concern for students' Fourth Amendment rights, school Administrators or designees may inspect student desks and lockers to safeguard students, their property, and school property. The exercise of the right to inspect also requires protection of each student's personal privacy and protection from coercion. Students shall be notified in advance that Board of Education policy allows desks and lockers to be searched as provided in this policy.

School administrators, and/or law enforcement officials authorized by school administrators, may search student lockers and other school property for weapons, contraband, or the fruits of a crime under the following circumstances:

1. When the school administrator believes that the search is justified at its inception and is reasonably related in scope to the circumstances which justified it;
2. There are reasonable grounds to believe that the search will reveal evidence that a student has violated or is violating either school rules or laws.

Personal Searches

The U.S. Supreme Court has unanimously affirmed that Fourth Amendment rights to be free from unreasonable searches and seizures apply to searches conducted by public school officials. However, students may be searched if:

1. There are "reasonable grounds for suspecting that the search will turn up evidence that the student has violated or is violating either the law or the rules of the school," and
2. The search is "reasonable relating to the objectives of the search and not excessively intrusive in light of the age and sex of the student and the nature of the infraction."

Personal searches of students and searches of student property shall be limited to the search of purses, knapsacks, book bags, and the like; outer coats and jackets, footwear, belts, pockets, hair, hats, and automobiles.

Long Range Planning Study**

Introduction

The Regional School District No. 5 is a secondary school district of grades 7 through 12. The member towns of Bethany, Woodbridge and Orange have their own K through 6 elementary school districts. The District strives to be a progressive school district in which students are prepared to achieve their highest level, surrounded by an engaged community that is proud of its educational system.

The Amity Board of Education and its Superintendent of Schools are seeking recommendations, looking at five (5) to ten (10) years out, for the design of a school system that reflects its vision, in light of declining enrollment, and takes into consideration budget, facilities, technology, resources, and educational programs.

The Regional School Districts' average daily membership on October 1, 2011 was 2,449. The District has two middle schools (grades 7 and 8), one in Bethany and one in Orange. The high school is located in Woodbridge. Students from Bethany and Woodbridge attend the Bethany Middle School. Students from Orange attend the Orange Middle School. Students from all three member towns attend Amity High School (grades 9 through 12).

Dated 8/20/2012

The Board seeks continuously to improve in support of its vision. In looking to the future, the Board will strive to continue to offer a quality education to all of its students in environments that support student learning. At the same time it wishes to be fiscally responsible in the use of its resources and facilities. To this end, the Superintendent of Schools and key administrators will work with a consultant/firm to achieve the following:

1. Determine the most efficient use and allocation of resources, including but not limited to staffing, given forecasted demographics, declining enrollment, capacity of existing schools and other relevant variables; and
2. Propose to the Amity Board of Education a range of possible alternatives to the current use of staffing, facilities, configuration, infrastructure, practices, and procedures taking into consideration their relevant implications including, but not limited to, budget, facilitation of academic programs, impact on children and families, and legislative requirements and mandates;
3. Determine the appropriate level of staffing.

Scope of Services

This **Request for Qualifications/Proposals** is being issued for **consultative services**. The selected consultant/firm will be expected to:

- Review, verify, and analyze school enrollment projections, population trends, and forecasted demographics.
- Determine the appropriate level of staffing; identify where staffing should be increased or decreased and when this should occur based on projected enrollments; and explain the rationale behind the recommendations and the impact on the education of Amity students.
- Examine all school facilities, resources, and technology infrastructure with respect to current and future condition and capacity.
- Consider various options for grade and geographic educational groupings, configuration, and organization.
- Identify other potential opportunities beyond the existing programs that are offered.
- Prepare a recommended strategic plan with timelines for the immediate and long term future.

- Examine implications of the recommendations on academic achievement, budget, infrastructure, facilities, and transportation, as well as impact on children and families.

Qualifications

Eligible consultants/firms will have the following minimum qualifications:

1. Experience analyzing enrollment projects and other demographic data and how they relate to physical space requirements and making recommendations based on those projections and requirements.
2. Ability to analyze staffing and determine the appropriate level based on the Board's Goals and enrollment projections.
3. Ability to provide full services to the project including engineers, architects, and other experts needed to evaluate the physical condition of the school facilities and infrastructure.
4. Ability to identify any facilities' issues that are foreseeable beyond the 10-year period and any recommendations to avoid or cope with these issues.
5. Knowledge of federal and state laws and regulations pertaining to school buildings and their educational requirements and standards.
6. Understanding of best practices for curriculum and educational trends.

Format Required for Statement of Qualifications/Proposals

In order to expedite review of the respondent's statements of qualifications and proposals, please provide the following information in the order listed below:

1. A Letter of Transmittal signed by a principal of the lead firm, not to exceed two pages, describing your firm or team and its qualifications, and why yours is the best firm for this project.
2. Statement of Qualifications to include, but not necessarily limited to, the following:
 - a. Name and address of your firm. Indicate who your contact person will be and provide a phone number, fax number and e-mail address.

- b. A description of your proposal including how your firm intends to approach the assignment and an overview of the principals who will be working on the project and the tasks they will be responsible for.
 - c. A list and description of the projects that your firm has been involved with in the past five years that are similar to the scope and challenge of this project.
 - d. A timeline required to complete the project.
 - e. Three (3) references from similar projects.
3. Provide an estimated cost of services for the project as described in your Statement of Qualifications.

Deadline for responses is Friday, September 28, 2012 at 2:00 PM

Deliver 1 electronic copy and 8 paper copies to:

**Jack B. Levine
Director of Finance and Administration
Amity Regional School District No. 5
District Offices
25 Newton Road
Woodbridge, CT 06525
jack.levine@reg5.k12.ct.us**

The 8 paper copies should be enclosed in a sealed envelope with "BID PROPOSAL for CONSULTATIVE SERVICES/LONG RANGE PLANNING STUDY" clearly marked on the outside of the sealed envelope. The electronic copy should be e-mailed to jack.levine@reg5.k12.ct.us AFTER the bid closing on Friday, September 28, 2012 at 2:00 p.m. but not later than Monday, October 1, 2012. This will assure the integrity of bid process.

Method of Selection

Selection will be based upon demonstrated ability to conform to the scope of services described above. The Amity Board of Education reserves the right to reject any consultant/firm offering services, which, in their opinion, does not meet the standard or quality established by this information package. The Amity Board of Education shall select the consultant/firm which it deems in the best interest of this project and the Amity Regional School District No. 5.

In compliance with Title VI, Title IX and Section 504 of the Rehabilitation Act of 1973, the Amity Regional School District No. 5 does not discriminate in any of its programs or activities on the basis of race, creed, color, national origin, age, sex, marital status, sexual orientation or disability in establishing and implementing hiring and employment practices and establishing and providing school activities and educational programs.

Re: Proposed 2013-2014 Budget Calendar

Date: September 4, 2012

The proposed 2013-2014 budget calendar key dates are, as follows:

January 15, 2013	Superintendent's Budget is mailed to Amity Finance Committee and Board of Education Members
January 28, 2013	Superintendent presents his budget proposal to Amity Finance Committee. Additional budget workshop date(s) will be set, if needed. All Board of Education members are invited to attend
February 4, 2013	Superintendent presents budget proposal to Board of Education. Additional budget workshop date(s) will be set, if needed.
February 11, 2013	Amity Finance Committee takes action on the proposed budget
February 11, 2013	Board of Education takes action on the proposed budget
February 12, 2013- March 1, 2013	Superintendent presents the preliminary Board of Education Adopted 2013-2014 Budget to Bethany, Orange and Woodbridge Boards of Finance at a mutually convenient date and time
March 4, 2013- March 6, 2013	Superintendent will revise the proposed 2013-2014 Budget based on the most current information
March 7, 2013	Superintendent will distribute the proposed 2013-2014 Budget with recommended changes, if any, based on the most current information to Amity Finance Committee and Board of Education

Proposed 2013-2014 Budget Calendar
September 4, 2012
Page 2

March 11, 2013	Superintendent will discuss his proposed changes, if any, with the Amity Finance Committee. Amity Finance Committee will vote on the revised 2013-2014 Budget
March 11, 2013	Superintendent will discuss his proposed changes, if any, with the Board of Education. The Board of Education will vote on the revised 2013-2014 Budget
April 1, 2013 (Monday)	Public District Budget Hearing
April 1, 2013	Amity Finance Committee discusses and makes possible changes to final 2013-2014 Budget
April 1, 2013	Amity Board of Education discusses and makes possible changes to final 2013-2014 Budget
April 8, 2013	Amity Finance Committee takes final action on 2013-2014 Budget
April 8, 2013	Amity Board of Education takes final action on 2013-2014 Budget
May 7, 2013 (Tuesday)	Annual Public Budget Meeting to be adjourned to a referendum vote
May 8, 2013 (Wednesday)	Referendum

Re: Proposal to Extend and Blend Electricity Supply Contract

Date: September 4, 2012

Enclosed is a proposal to take advantage of the historically low electricity supply prices by 'extending and blending'. We have done this in the past to the District's benefit. Currently, we have a contract to pay \$0.10650 per kilowatt hour to December 31, 2012 and a price of \$0.0899 per kilowatt hour to December 31, 2014. If we were to 'extend and blend' our electricity supply contract, the District's price would be approximately \$0.0831 per kilowatt hour (compared to \$0.0899 per kilowatt hour) through December 31, 2016 (an extension of the contract for two years).

The price of \$0.0831 per kilowatt hour is only an estimate. If the Board approves the 'extend and blend' proposal, the market price on the day following the approval will determine our contract price.

I recommend the following motion:

Amity Finance Committee:

Move to recommend to the Amity Board of Education that the Superintendent of Schools be authorized to 'extend and blend' the District's electricity supply contract at a price of about \$0.0831 per kilowatt hour with an extension of the contract to December 31, 2016. Furthermore, it is recommended that the Superintendent is authorized to determine if the market price is in the best interest of the District. Finally, it is recommended the Board waive the Board's Purchasing Policy on bidding as this is with the same vendor and will benefit the District.

Amity Board of Education:

Move the Superintendent of Schools be authorized to 'extend and blend' the District's electricity supply contract at a price of about \$0.0831 per kilowatt hour with an extension of the contract to December 31, 2016. The Superintendent is authorized to determine if the market price is in the best interest of the District. The Board waives the Board's Purchasing Policy on bidding as this is with the same vendor and will benefit the District.

Enclosure

4th September, 2012

Mr. Jack Levine
Director of Finance and Administration
Amity Regional School District
25 Newton Road
Woodbridge, Connecticut 06525

Dear Jack,

I have calculated the projected savings using the new electricity usage estimates which were provided by yourself and Jim. Due to the energy projects which were implemented at the high school, the usage has been significantly reduced from 4.5 million kWh to 3.9 million kWh-- This is a real positive.

I have approached this as follows; I have negotiated the current contract.

The current BOE contract ends 12/31/2014 with a price of \$0.0899 per kWh.

The renegotiated contract price is \$0.0831 per kWh, resulting in savings of \$106,080 and will add 24 months to the end of the current contract.

Amity Regional School District
Current Contract in Place
Start Date: January 2013
End Date: December 2014
Price: \$0.0899 per kWh

New Negotiated Contract
Start Date: January 2013
End Date: December 2016
Price: \$ 0.0831 (reduced price per kWh)
Total Additional Savings: \$106,080

Titan is also in the process of restructuring current energy savings for the Town of Woodbridge, as well as Bethany, universities, hospitals and many towns. Titan's customers have agreed with our energy management system. We take savings when we can.

I strongly recommend the BOE lock in the \$106,000 savings now. This will allow the BOE to stabilize energy costs and budget appropriately.

Please do not hesitate to call with any questions or concerns.

Sincerely,

Michael Horton

REVENUES & EXPENDITURES BY CATEGORY
FINANCIAL ANALYSIS
FOR THE FISCAL YEAR 2012-2013**

AUGUST 2012

SUMMARY OF COST SAVINGS AND EFFICIENCIES

Below is a list of the cost savings and efficiencies implemented for the current fiscal year:

- We have implemented the self funded insurance program for medical and dental benefits. The target savings is \$525,000, which is included in the 2012-2013 budget.
- Amity High School heating equipment and cafeteria kitchen, culinary kitchen, garage and field house will use natural gas rather than fuel oil and propane. The target savings is \$120,000, which is included in the 2012-2013 budget.
- The District is working with our insurance provider (CIRMA) to institute a 'budget stabilization program' for Liability-Automobile-Property (LAP) coverages, which includes enhanced risk control services, and a multiple-year coverage period with stabilized rates applicable to annual contributions. Thus, we will be identifying and implementing risk control initiatives. This will cap premium increases to 5 percent over the prior year for the next two fiscal years.
- The Cable Advisory Council Area 2 (CAC) awarded \$18,325 on the government grant application for the October 1, 2011 to September 2012. This grant had been submitted by the high school administration.
- The District has switched its third-party agent for reviewing State unemployment compensation. This should reduce costs.
- We negotiated a 'storage fee' for the unused heating oil from last fiscal year down to 10 cents per gallon per month from the initial proposal of 15 cents per gallon per month, which saved \$10,607.
- The District refinanced 2008 bonds. Moody's Investor Service reviewed and assigned a rating of Aa1 to the District. Due to the District and Member Towns' high bond ratings and timing in the market, we obtained total savings of \$357,271.67. These savings will offset the interest cost of \$201,964.17 on the bonds for the high school roof restoration, air handling unit replacement in the high school boys' and girls' locker rooms including the piping of the new cooling coils, and repaving at Orange Middle School.

SUMMARY OF COST SAVINGS AND EFFICIENCIES
(Continued)

- The Finance Office implemented several efficiencies, including:
 - ✓ Most of the collection of fees (over \$200,000) for Student Activity Accounts and Special Revenue Accounts are being done on-line by using MyPaymentsPlus. This has greatly reduced processing time in the schools and improved audit controls.
 - ✓ Staff reimbursements for mileage and other business expenses are being made by direct deposit. In addition, many of the high used vendors are being switched to direct deposit.
 - ✓ Remote deposit of checks into various bank accounts is saving time in preparing bank bags for each deposit and limiting the number of courier transactions required.
- The Technology Department has instituted a number of cost savings, including:
 - ✓ We are purchasing the iPad 2 in quantities of 10 and saving \$20 per iPad.
 - ✓ The department has used its staff rather than an outside contractor to install smart boards and projectors. To-date, we have saved \$2,400.
 - ✓ Apps are being purchased through the volume purchasing program at half price.
 - ✓ We are now participating in Microsoft's new Open Licensing Program, which is based on current full-time equivalent employees rather than the number of computers and servers. This saved approximately \$11,000, which is included in the 2012-2013 budget.

In addition to the above-mentioned items, the District implemented the following cost savings and efficiencies for the current fiscal year:

- *Two students who had been placed out of district were returned to the District. Estimated savings are \$94,000. Other savings of about \$34,000 have been realized due to two fewer students in the vo-ag schools.*
- *Facilities Director negotiated reduced pricing for Bethany and Orange Middle School fire alarm inspections for a savings of \$4,140.*
- *Facilities implemented chiller optimization at both middle schools. This was accomplished by installing circuit boards and programming the Building Management System to look at humidity, dry bulb, and outside air temperatures and reset the chilled water temperature accordingly. The chilled water temperature was previously set at 44 degrees but now resets up to 52 degrees. This saves large amounts of energy.*
- *All lights in all schools are on motion sensors and/or light sensors to optimize energy savings. The lights are also programmed through the Building Management System to optimize savings.*

- *The Field House air handler is now monitored and programmed so it is on only during occupied times. It had been on 24/7 with a thermostat at a set temperature.*
- *Trash and recycling services were bid for a three-year contract, which resulted in a savings of \$2,693.*
- *A terminal reheat strategy was implemented for the boiler plants at both middle schools. By using the Building Management System, we can monitor the system more efficiently and realize energy savings.*

2012-2013 FORECAST

The projected net balance of revenues and expenditures for this fiscal year is **\$174,579 FAV** (previously \$63,900 FAV), which appears on page 1, column 6, line 18.

REVENUES BY CATEGORY

The projected yearend balance of revenues is **\$995 UNF** (previously \$10,068 FAV), which appears on page 2, column 6, line 25.

LINE 5 on Page 2: ADULT EDUCATION:

The forecast is based on the current State award.

LINE 7 on Page 2: INVESTMENT INCOME:

The average interest rates by month for the State Treasurer's Investment Fund (STIF) are shown below:

Average Interest Rates by Month

<u>Month</u>	<u>Rate</u>
June	0.09%
July	0.21%
<i>August</i>	<i>0.22%</i>

LINE 9 on Page 2: TUITION REVENUE:

The forecast includes one more tuition student than budgeted.

LINE 14 on Page 2: SPECIAL EDUCATION GRANTS:

Based on the estimated tuition expenses at this time, the special education grants are projected be lower than budgeted.

LINE 20 on Page 2: EARLY RETIREE REINSURANCE PROGRAM:

The District was notified we must return \$78.32, which has been deemed 'an overpayment' of the Early Retiree Reinsurance Program grant.

EXPENDITURES BY CATEGORY

The projected yearend balance of expenditures is *\$175,574 FAV (previously \$53,832 FAV)*, which appears on page 4, column 6, line 57.

SELF INSURANCE:

During July, total paid claims were \$173,646 and administration fees were \$39,708, or a total cost of \$213,354.

LINE 6 on Page 3: 5220-WORKERS' COMPENSATION:

Workers' compensation insurance budget was based on information from our insurance carrier in December 2011. The premium increase was budgeted at 10 percent. Unfortunately, the District's claims experience was significantly higher than expected in the second half of the fiscal year, which resulted in the premiums rising 26.9 percent over last fiscal year's actual premiums. Our insurance carrier (Trident Insurance) and several other carriers refused to provide a bid. Connecticut Interlocal Risk Management Agency (CIRMA) submitted the only bid of \$149,010, or **\$19,826 UNF** over budget. The payroll audit is budgeted at \$5,000 and will be done later in the fiscal year.

LINE 16 on Page 3: 5290-UNEMPLOYMENT COMPENSATION:

The District has switched its third-party agent for reviewing State unemployment compensation. We believe this will enhance the review of claims and payments.

LINE 23 on Page 3: 5521-GENERAL LIABILITY INSURANCE:

The budget was based on an estimate provided by our insurance carrier for liability-automobile-property (LAP) insurance in December 2011. The LAP insurance was awarded to Connecticut Interlock Risk Management Agency (CIRMA) at the bid price of \$148,997, or **\$2,773 FAV** under budget. In addition, the Student Accident Insurance premium of \$13,764 is **\$1,236 FAV** under budget.

LINE 25 on Page 3: 5560-TUITION EXPENSE:

These figures are subject to change on a monthly basis.

Tuition for the vo-ag schools is projected at \$34,398 FAV under budget.

	<u>FY08-09</u> <u>ACTUAL</u>	<u>FY09-10</u> <u>ACTUAL</u>	<u>FY10-11</u> <u>ACTUAL</u>	<u>FY11-12</u> <u>ACTUAL</u>	<u>FY12-13</u> <u>BUDGET</u>	<u>FY12-13</u> <u>ACTUAL</u>
<i>Sound</i>	9	9	7	6	7	8
<i>Trumbull</i>	1	2	4	3	4	3
<i>Nonnewaug</i>	4	5	5	3	4	2
<i>Totals</i>	14	16	16	12	15	13

Public (ACES) and private out-of-district placements are projected at \$93,789 FAV under budget.

	<u>FY08-09</u> <u>ACTUAL</u>	<u>FY09-10</u> <u>ACTUAL</u>	<u>FY10-11</u> <u>ACTUAL</u>	<u>FY11-12</u> <u>ACTUAL</u>	<u>FY12-13</u> <u>BUDGET</u>	<u>FY12-13</u> <u>ACTUAL</u>
<i>Public SPED</i>	9	7	6	6	9	7
<i>Private SPED</i>	21	20.5	21	24	30	25
<i>Totals</i>	30	27.5	27	30	39	32

Note: 0.5 is a part-time student.

The District has 27 students attending ECA. The total expenditure is \$2,187 UNF over budget.

LINE 28 on Page 4: 5830-INTEREST:

The District refinanced 2008 bonds on July 26, 2012. Total savings are \$357,271.67. The savings for this fiscal year will be \$21,961.67 FAV.

LINE 31 on Page 4: 5410-UTILITIES, EXCLUDING HEAT:

If approved by the Amity Finance Committee and Amity Board of Education, the budget of \$17,000 FAV for propane to heat the field house and facilities garage and provide gas to the kitchen facilities will be moved to a new account, 5621-Natural Gas.

LINE 33 on Page 4: 5611-INSTRUCTIONAL SUPPLIES:

A budget transfer of \$4,800 FAV was approved to move funds into the Textbooks account to purchase additional Chinese and Spanish textbooks due to higher than expected enrollment.

LINE 35 on Page 4: 5620-OIL USED FOR HEATING:

The budget of \$132,495 FAV for natural gas to heat the high school was moved to a new account, 5621-Natural Gas.

Due to the warm weather, there were 34,886 gallons of unused heating oil from 2011-2012. The 'storage fee' for these gallons of heating oil is \$21,943, or \$10,607 FAV under budget. The 'storage fee' was initially proposed at 15 cents per gallon per month, but we negotiated it down to 10 cents per gallon per month. The budget assumed the purchase of 10,000 gallons of heating oil at \$3.50 per gallon for the middle schools. With the large carryover of unused heating oil, the forecast assumes the purchase of 5,000 gallons at \$3.1429 per gallon, or an estimated savings of \$19,285 FAV.

LINE 36 on Page 4: 5621-NATURAL GAS:

The Finance Office set up a new account for natural gas expenditures.

The budget for natural gas at the high school is \$132,495 (12,045 MBTU at \$11 each MBTU). The number of MBTU (million British thermal units) is calculated by dividing the estimated heating oil usage of 86,000 gallons by 7.14. This is included in the adopted 2012-2013 budget under 5620-Oil Used for Heating. A budget transfer was approved to move \$132,495 into this new account.

The budget for propane to heat the field house and facilities garage and provide gas to the kitchen facilities is \$17,000. This is included in the adopted 2012-2013 budget under 5410-Utilities-Excluding Heat. A budget transfer was approved to move \$17,000 into this new account.

At this time, the forecast projects expenditures for this new account will be \$149,495. Since these expenditures were budgeted in other accounts, the forecast shows an unfavorable variance of **\$149,495 UNF**. This is offset by the favorable variances of \$17,000 in 5410-Utilities, Excluding Heat and \$132,495 in 5620-Oil Used for Heating.

LINE 38 on Page 4: 5641-TEXTBOOKS:

A budget transfer of **\$4,800 UNF** was approved to purchase additional Chinese and Spanish textbooks due to higher than expected enrollment.

LINE 46 and LINE 46A on Page 4: 5850-CONTINGENCY:

The forecast assumes the entire Contingency Account of \$150,000 will be spent by year end. *If the budget transfer is approved, the balance would be \$132,450.*

September: \$17,550 – Natural gas is now being used at Amity High School. A budget transfer is requested to remove the oil tank and pump the oil/sludge from the oil tank.

LINE 53 on Page 4: 5810-DUES AND FEES:

A budget transfer of \$4,258 UNF is requested to pay for the dues of the Connecticut Association of Schools and the Southern Connecticut Conference. These items were not included in the budget due to an oversight.

To: Dr. John J. Brady, Superintendent of Schools

From: Jack B. Levine,  Director of Finance and Administration

Re: Budget Transfers of \$3,000 or More

Date: September 4, 2012

I recommend the Amity Finance Committee and Board of Education approve the following budget transfer(s) of over \$3,000:

Special Education Transportation:

A budget transfer is needed to pay for special education transportation.

#1 - Move to make the following budget transfer of \$11,300 to pay for special education transportation:

ACCOUNT NUMBER	ACCOUNT NAME	FROM	TO
04-12-6130-5510	Pupil Transportation	\$11,300	
04-12-6110-5510	Pupil Transportation		\$11,300

Dues and Fees:

A budget transfer is needed to pay the dues of the Connecticut Association of Schools and the Southern Connecticut Conference. In the past, these dues were paid from the Athletic Department's budget. The High School Dues and Fees Account budget was based on a three-year average of expenditures and did not include the cost of these dues.

#2 - Move to make the following budget transfer of \$4,258 to pay for the dues of the Connecticut Association of Schools and the Southern Connecticut Conference:

ACCOUNT NUMBER	ACCOUNT NAME	FROM	TO
03-14-2219-5611	Instructional Supplies	\$4,258	
03-13-2400-5810	Dues and Fees		\$4,258

Re: New Funding Requests for Fiscal Year 2012-2013
Date: September 5, 2012

I would like to recommend the Amity Finance Committee and Amity Board of Education approve the following new funding request(s):

Remove Oil Tank at Amity High School:

Enclosed is a recommendation from Director of Facilities Jim Saisa regarding the oil tank at Amity High School. We are requesting a budget transfer of \$17,550 to pay for the removal of the oil tank and pumping of the oil/sludge from the oil tank. Until the oil tank is removed, we will not know whether or not there is any contaminated soil, and if so, how much it will cost to remove it.

#1 – Move to make the following budget transfer of \$17,550 to pay Excavation Technologies Inc. of Cheshire, Connecticut, to remove the oil tank and pump the oil/sludge from the oil tank at Amity High School.

ACCOUNT NUMBER	ACCOUNT NAME	FROM	TO
05-15-0000-5850	Contingency Account	\$17,550	
03-14-2600-5720	Improvements to Site		\$17,550

Enclosure

CONTINGENCY ACCOUNT RECAP

Budget \$150,000

September: Remove Oil Tank at Amity High School **\$ 17,550**

Balance **\$132,450**

RECOMMENDATION TO REMOVE THE OIL TANK AT AMITY HIGH SCHOOL

BY JIM SAISA, DIRECTOR OF FACILITIES

Natural gas was run to Amity High School during the summer of 2012. Since we no longer have the need to heat with fuel oil and the storage tank is an underground storage tank, I recommend that we remove the tank. The estimated cost of removing the tank is \$13,000 - \$15,000 plus a contingency of \$4,500 to cover soil samples, oil removal and disposal, contaminated soil removal and disposal etc.

If we were to entertain leaving the tank in place the following would have to occur:

- 1) Drain the tank of all oil
- 2) Tank interior is cleaned and the rinsate is removed and properly disposed of as hazardous waste (confined space permit required)
- 3) Soil sampling has to be conducted thru the bottom of the tank, lower sidewalls, and along the entire piping run (confined space permit required)
- 4) Tank is backfilled with inert material

Cost for the above is around \$9,500 **not** including the draining and disposing of the oil (dependent on amount of gallons of oil remaining in the tank)

The tank was installed during the 90's construction project. The history with the contractor was not good, and typically a tank is replaced in the same location the old one is removed from. None of us were here to see that they properly cleaned the pit after removing the first one. If the soil samples taken from drilling thru the bottom of the tank in various spots come back dirty, the tank would have to be removed anyways to clean up the contaminated soil. In that instance, the \$9,500 would have been spent uselessly and we would have no value for it.

We bid the removal of the tank. 21 vendors attended the mandatory pre-bid meeting. 5 vendors submitted bids. The prices ranged from \$16,700 to \$23,400. After checking references, I recommend we award the bid to Excavation Technologies, Inc. of Cheshire for the bid price of \$16,700. The price per gallon to pump out the oil/sludge is \$0.85. The price per ton to remove contaminated soil is \$88/ton.

Attached are the minutes from the following Board of Education
Sub-Committee meetings:

Finance Committee

8/20/12

MINUTES

COMMITTEE MEMBERS PRESENT: Janet Brunwin, Matthew Giglietti, John A. Grasso, Jr., James Horwitz, Joseph Nuzzo, James Stirling

Also Present: John Brady, Rita Gedansky, Mike Goss, Jack Levine, Marianne Lippard, representatives of local media organizations

A meeting of the Finance Committee of the Amity Regional Board of Education was held on Monday, August 20, 2012 at 5:30 p.m. in the Presentation Room at District Offices.

1. **Call to Order:** James Stirling called the meeting to order at 5:32 p.m.
2. **Pledge of Allegiance** was recited by those present.
3. **Discussion and Possible Action on Minutes**
 - a. Finance Committee Meeting – June 11, 2012
Motion to approve the minutes as presented (Mr. Giglietti, 2d Ms. Brunwin).
Vote in favor: Janet Brunwin, Matthew Giglietti, James Horwitz, Joseph Nuzzo, James Stirling
Vote opposed: none.
Abstain: John Grasso
Motion passed.
4. **Public Comment**

An editor for *Patch* introduced himself to the Committee.
5. **Presentation and Discussion of Second Quarter 2012 Executive Summary Review of Amity Pension Fund, Sick and Severance Account, and OPEB Trust**

Mike Goss from Fiduciary Investment Advisors of Windsor noted that a report distributed to the Committee gives an overview. The month of June was poor for equities, but good for bonds. Mr. Goss noted that July and August were both very strong, up 9 ½ percent (S&P).

The Pension Fund (p. 15 of report) ended the quarter up 6 ½ percent. The Sick and Severance Account, which is managed more conservatively, was up 4 ½ percent. The OPEB Trust, also conservatively managed, was up 5 percent.

In summary, Mr. Goss said that the summer was surprisingly good.

6. Discussion and Possible Action to Use Vanguard Index Mutual Funds in Place of iShares for the Pension, Sick & Severance, and OPEB Trust

In a memo to Dr. Brady dated May 23, 2012, Mr. Goss recommends a cost savings opportunity by switching to index mutual funds versus ETFs. The differences and benefits of switching the plans to a line-up of Vanguard index mutual funds versus the current index approach using ETFs are described.

Amity has historically employed a low cost index-based approach to its investment pools. There is very little trading activity and with the exception of PIMCO, no active managers. Currently, the index strategies are accessed through ETFs run by iShares.

Vanguard is a very large mutual fund company known for their index strategies. The return streams and strategies of the two approaches are similar, as they are index funds and not attempting to beat the market, but merely mimic the market.

The fees for the Vanguard funds are presented next to the comparable iShares fund the Plan currently holds. The Vanguard line-up would provide significant savings to the plans; each would save about 10 bps a year, amounting to over \$8,000 in total savings.

Mr. Goss said that the investment strategy would not change as Vanguard funds are mutual funds. This is not an actively traded account.

Mr. Stirling questioned what would happen if the investment strategy was changed from passive to active.

Mr. Goss said that the fees would be higher.

Move to recommend to the Amity Board of Education that Fiduciary Investment Advisors be authorized to use Vanguard index mutual funds in place of the iShares fund for the Plan (Mr. Nuzzo, 2d Mr. Giglietti).

Vote in favor unanimous.

Motion passed.

7. Information from Fiduciary Investment Advisors Regarding Fees Paid by the Plans

Mr. Goss noted that a question was raised previously about fee disclosure. A memo dated July 25, 2012 addresses all fees. He explained that Amity's fees are low primarily because of the index funds.

8. Discussion and Possible Action on Proposed Fund Balance Policy

Mr. Levine said that the Fund Balance Policy is required and asked for the support of the Committee.

Move to recommend to the Amity Board of Education the adoption of the proposed Fund Balance Policy, dated May 14, 2012, as presented (Mr. Giglietti, 2d Mr. Grasso).

Discussion: Mr. Horwitz asked Dr. Brady if he was in favor of this. Dr. Brady said that he is.

Vote in favor unanimous.

Motion passed.

9. Update on Bond Refinancing and Bond Sale

Mr. Levine said that the District did very well and the timing of the refinancing and bond sale was wonderful. The savings offsets the cost of several expensive projects. Amity managed to get a 1.58 percent interest rate. The new money bonds had been projected at 2.0 percent and the actual effective rate was 1.58 percent. The total interest expense will be \$201,964.17. For refunding bonds, the final net savings (net of all expenses) was \$357,271.67, or 13.2 percent of the prior bonds. The final savings will pay for the interest expense of the new money bonds, along with some principal.

Dr. Brady said that the District will put out RFPs for financial advising services and bond counsel.

10. Discussion of Forecasts

There has been some question as to the value of long-range forecasts. Mr. Levine said that he has pointed out that his long-range forecast projections have been significantly wrong, misleading and misused. He noted that he uses an "ultra conservative" approach when forecasting expenditures. The Board of Education would like more "realistic" forecasts. A memo from Mr. Levine to Dr. Brady, dated May 25, 2012, describes some changes he is planning to make the forecasts better reflect the numbers.

Mr. Giglietti noted that detailed forecasting is very difficult. When provided, a disclaimer should be attached.

Dr. Brady said that he recommended eliminating the forecasts. They are treated as public documents and misused. Forecasts have made the budget approval process more difficult.

Mr. Levine said that the assumptions are very clear. The administration will do its best to make accurate predictions.

Mr. Nuzzo said that a forecast is a tool that can be used, but isn't an exact science. He noted that Mr. Levine and Dr. Brady have always done a fine job.

11. Presentation of Annual Report on Reserve Fund for Capital and Nonrecurring Expenditures Fund

Mr. Levine asked if there were any questions about the report. Mr. Giglietti asked when the Black Box Theater might be installed. Dr. Brady said that Jim Saisa is obtaining updated pricing. Additional funds will be collected through fundraising efforts. Dr. Brady would like to see the Black Box Theater go in next summer.

Mr. Giglietti noted that quotes for budgeted items have generally been coming in lower than anticipated.

12. Discussion of Monthly Financial Statements

- a. Fiscal Year 2011-2012
- b. Fiscal Year 2012-2013

Mr. Levine said that the books were closed and Terry Lumas and her staff did a phenomenal job.

Dr. Brady noted that a new section was added to the financial report for Revenues and Expenditures in 2012-2013. A summary of cost savings and efficiencies was included to clarify what is being done to save money.

It was noted that the 2012-2013 forecast shows that the District was notified of the need to return \$78.32 to the Federal Government for an overpayment of the Early Retiree Reinsurance Program grant.

Mr. Levine said that, due to the warm weather, there were 34,886 gallons of unused heating oil from 2011-2012. The "storage fee" for these gallons of heating oil is \$21,943, or \$10,607 FAV under budget. The "storage fee" was initially proposed at 15 cents per gallon per month, but it was negotiated down to 10 cents per gallon per month. The budget assumed the purchase of 10,000 gallons of heating oil at \$3.50 per gallon for the middle schools. With the large carryover of unused heating oil, the forecast assumes the purchase of 5,000 gallons at \$3.1429 per gallon, or an estimated savings of \$19,285 FAV. The District will go out to bid.

Mr. Giglietti asked if anything has been heard from the State about the construction audit. Mr. Levine said that he hasn't heard anything.

13. Director of Finance and Administration Approved Transfers Under \$3,000.

- a. Fiscal Year 2011-2012
- b. Fiscal Year 2012-2013

There were no questions.

14. Discussion and Possible Action on Budget Transfers

Transfer Budgets into New Account

The budget for natural gas at the high school is \$132,495 (12,045 MBTU at \$11 each MBTU). The number of MBTU (million British thermal units) is calculated by dividing the estimated heating oil usage of 86,000 gallons by 7.14. This is included in the adopted 2012-2013 budget under 5620-Oil Used for Heating. A budget transfer is requested to move \$132,495 into a new account for natural gas expenditures.

Move to make the following budget transfer of \$132,495 from Oil Used for Heating to the new account for Natural Gas (Mr. Giglietti, 2d Mr. Grasso):

<u>Account Number</u>	<u>Account Name</u>	<u>From</u>	<u>To</u>
03-14-2600-5620	Oil Used for Heating	\$132,495	
03-14-2600-5621	Natural Gas		\$132,495

Vote in favor unanimous.

Motion passed.

The budget for propane to heat the field house and facilities garage and provide gas to the kitchen facilities is \$17,000. This is included in the adopted 2012-2013 budget under 5410-Utilities-Excluding Heat. A budget transfer is requested to move \$17,000 into an account for natural gas expenditures.

Move to make the following budget transfer of \$17,000 from Utilities – Excluding Heat to the new account for Natural Gas (Mr. Giglietti, 2d Ms. Brunwin).

<u>Account Number</u>	<u>Account Name</u>	<u>From</u>	<u>To</u>
03-14-2600-5410	Utilities – Excluding Heat	\$17,000	
03-14-2600-5621	Natural Gas		\$17,000

Vote in favor unanimous.

Motion passed.

Due to higher than expected enrollment, additional Chinese and Spanish textbooks are needed.

Move to make the following budget transfer of \$4,800 to purchase additional Chinese and Spanish textbooks for the High School World Language Department (Mr. Giglietti, 2d Mr. Grasso).

<u>Account Number</u>	<u>Account Name</u>	<u>From</u>	<u>To</u>
03-14-2219-5611	Instructional Supplies	\$4,800	
03-11-1006-5641	Textbooks		\$4,800

Vote in favor unanimous.

Motion passed.

15. Update on Facilities Projects

Dr. Brady said that roof restoration at the High School has been a big project and should be complete by mid-September. The natural gas conversion at the High School has gone very smoothly. Boilers will be tested soon. The two air handling units will be complete as of August 31st. Repaving is going well. The school interiors are looking great.

16. Update on Financial Operations

- A. Superintendent's Quarterly Report in Compliance with Board Policy 3292.1(b), Deposit Policy for Custodial Credit Risk

Dr. Brady reported that the Accounts Payable, Payroll Accounts, Adult Education, Cafeteria Funds and Grants Fund have been moved to Peoples United from Bank of America. In addition, new accounts were opened at Peoples United for the Self-Insured Reserve Fund and Artificial Turf Special Project Account. The other smaller accounts are with Bank of America.

17. Adjourn

Motion to adjourn the meeting at 6:24 p.m. (Mr. Giglietti, 2d Mr. Nuzzo).

Motion passed; meeting adjourned.

Respectfully submitted,
Marianne Lippard, recording clerk
